

PUT YOUR LIFE ON IT®

See your life safe in one place.

Protect your movies, photos and music with WD's My Book for Mac USB external drive. WD SmartWare backup software provides a reassuring visual display of your backup as it happens, and instantly makes a duplicate copy whenever you add or change a file. If you prefer to use Apple® TimeMachine™, that works, too. Password protection and hardware-based encryption add security and privacy to your drive. The My Book for Mac external drive... one safe place for your digital life.
