

Speed. Pure and simple.

WD Caviar® Black™
Desktop Hard Drives

It's just what your fully-loaded PC or maxed-out gaming machine is begging for. With its dual processor to maximize performance, 32 MB cache and up to 1 TB capacity, WD Caviar Black is more than ready for action. Ultra cool drive operation. No-touch head technology. Leading edge vibration protection. Plus a 5-year limited warranty. There's no holding its 7200 RPM back. Making it the oh-so-perfect solution for power-hungry users.

The power of choice, the quality of WD.
