

Power and performance unhinged.

WD Scorpio® Black™
Desktop performance for your laptop.

High performance, 7200 RPM
Low power consumption
Ultra-cool and quiet
5-year limited warranty

Notebook computing soars to new heights of performance with the speed and reliability of WD Scorpio Black mobile hard drives. Their high-rev 7200 RPM spin speed and 3 Gb/s SATA interface offer lightning-fast response in a 2.5-inch design. And they take notebooks further with capacities up to 320 GB, shock-resistant design and energy-saving operation. So now even the most demanding user can enjoy the ultimate in convenience - notebook portability with the desktop-class performance of WD Scorpio Black.

PUT YOUR LIFE ON IT®
