

Get what you want and then some.

WD Scorpio® Blue™
Big capacity for portable computing.

Massive capacity
Low power consumption
Ultra-cool and quiet
Reliable and rugged

Notebook users want more. More capacity to work wherever they go, to savor their music, photos and videos at any time, and to feed an operating system that eats huge amounts of disk space. With WD Scorpio Blue mobile hard drives you can satisfy your craving for storage with capacities from 80 GB to 500 GB. In addition, these drives use less energy to extend computing sessions, run cooler and quieter, and are available with either a SATA or EIDE interface. So like a kid in a candy shop, get more of what you want. Enhance mobile computing with the expanded capacity of WD Scorpio Blue hard drives.
