

# Big capacity for portable computing.

**WD Scorpio® Blue™**  
Mobile Hard Drives

Portability meets capacity. They both win. Welcome to WD Scorpio Blue where capacities up to 1 TB are now available in a compact 2.5-inch drive. This ultra-fast workhorse also comes in both SATA and EIDE interfaces. Plus exclusive WD technologies help make WD Scorpio Blue one of the quietest, most shock-resistant, 2.5-inch drives on the market. Perfect for notebooks, external storage and digital media players. WD Scorpio Blue. Whatever you've got, from music to photos to videos, this drive has the massive capacity that you're looking for.

**The power of choice, the quality of WD.**
