

WD Scorpio Blue™

Big capacity for
portable computing.

WD Scorpio Black™

Desktop-class performance
for notebook computers.

We make it easy to pick the

perfect mobile drive.

The power of choice. The quality of WD.

Mobile computing is all about you. And WD gives you a choice of hard drives to get you the capacity and performance you need. WD Scorpio Blue offers capacities up to 1 TB so you can carry it all, from work and photos to music and videos. WD Scorpio Black features desktop-class performance with a 3 Gb/s transfer rate and 7200 RPM spin speed without compromising battery life. So make your pick with confidence. Because WD is always the quality choice.
