

**DAUGHTER'S FIRST BIRTHDAY PICS
VIDEO OF HER FIRST STEPS
SOUND CLIPS OF HER FIRST WORDS
FAMILY VACATION PICS**

GONE.

WHAT'S YOUR BACKUP PLAN?

You've taken the time to store it on your desktop. Or your laptop. Everything that matters to you. From financial to sentimental. But you're just one system error, one spilled juice box, one power surge away from losing it all. Yet this unthinkable scenario is so easy to prevent. Back it up with WD's extensive line of external hard drives. Sleek, stylish and made for your grab-and-go lifestyle, and most come with our easy-to-use backup software. So stop living in fear. Let us be your backup plan.
